Friends of Shea (FOS)

FOS meet the second Monday of the month in the Shea High School Library from 6:00PM-7:00PM.

Partnerships between parents, educators and students enhance student success. We believe that children learn more and have better lives when everyone in the school community works together to share thoughts and information and work on projects to benefit the student population. The FOS work together to raise funds that benefit the students at our school. Last year we awarded 6 scholarships to 6 Shea High School seniors!! We also gave money to send some of our students on a field trip to Plimoth Plantation. To raise funds for our goals we hold fundraisers. Usually Otis Spunkmeyer Cookie Dough and our annual Alumni Basketball Game.

This year we plan on starting a School Store which will be open before and after school. Sale items will include pencils, pens, folders, water, snacks, and Shea gear.

We would love for you to join our team, to share your ideas, and to help us raise money so that we can continue to award scholarships and send students on field trips.

Please join us. If you have any questions, call the library 729-6471.
